the "Joshua Martinez" Facebook page

ELECTRONIC (SEAL/NRS 1-199(3)) <https://www.facebook.com/profile.php?id=100055990480014>) is attempting to conspire with local "activists" in order to target Detective Mead for harassment, including providing intelligence on Detective Mead in the form of his purported resume.

A criminal history check of Joshua Martinez (DOB [REDACTED]) revealed a criminal history which included arrests for violent crimes and weapons charges. These arrests include; 7/2008 minor in consumption of alcohol, possess firearm while under the influence of drugs or alcohol, Driving under the influence, possess marijuana/ one ounce or less, possess unregistered firearm (denied); 10/2009 Assault with a deadly weapon, Discharge of a firearm at or in a house, Discharge of a firearm from a vehicle (dismissed); 7/2010 Possession of a firearm with obliterated/ altered serial number, Ex-Felon/ prohibited person in possession of a firearm (dismissed); 11/2014 Driving under the influence (plead guilty); 02/2017 False statement to police officer (found guilty at trial); 06/2017 Carrying a concealed weapon without a permit (dismissed); 11/2017 Trespass (dismissed); Attempted carry concealed weapon without permit (found guilty); 03/2019 Violation of probation (found guilty), 12/2020 Trespass (not adjudicated).

Martinez is a known anti-government/ anti-law enforcement activist. Martinez currently hosts a monetized Youtube page which primarily consists of videos from "1st amendment audits" (<https://www.youtube.com/channel/UCzP9l6r-yFPowEaNHndFglg/videos>). For

context, 1st Amendment audits consist of single or multiple individuals photographing or

 filming in a public place, or a perceived public space such as military bases and medical facilities. "Auditors" often target law enforcement officers in the performance of their duties, as well as law enforcement facilities in which most auditors believe they should have unfettered access. "Auditors" are often confrontational with any authority figures who deny them access, which may escalate to vulgar language and obstructing criminal investigations. Many auditors, to include Martinez, post their "audit" videos to YouTube channels. These channels are more often than not monetized, which means that the owner of the channel receives monetary compensation from YouTube, based on the amount of views a particular video receives. As an example, on 12/19/2020 Martinez posted a video to his YouTube channel entitled "First Amendment Audit -Arrested - Southern Nevada Health District - Joshua Martinez". During this video, Martinez and another identified "auditor" gain access to the front lobby of the Southern Nevada Health District facility located at 280 S. Decatur Blvd, LV, NV 89107. Martinez is subsequently asked by security staff to wear a facemask due to Covid-19 restrictions, to which he refuses to comply. Martinez and the second auditor continually try to gain access to patient areas (succeeding several times), after being repeatedly told that no filming is allowed in these areas to do HIPAA (Health Insurance Portability and Accountability Act) patient privacy concerns. Martinez is repeatedly asked to leave the facility by security personnel and management. Martinez refuses, and eventually LVMPD patrol officers arrive and take Martinez into custody. Martinez was arrested for trespassing on this occasion.

Other videos on Martinez's YouTube channel include videos discussing his arrest at the Lloyd D. George Federal Courthouse. Martinez is an avid supporter of Ammon Bundy (known anti-government activist who participated in the 2014 armed standoff at the Bundy ranch in Nevada, as well as the 2016 armed occupation of the Malheur National Wildlife Refuge in Oregon). Martinez protested numerous times at the Lloyd D. George Federal Courthouse during the Bundy Ranch trial, during which he was arrested for providing false information to a police officer.

On a video posted to his YouTube account on 03/07/2019, Martinez discusses his arrest and trial for the charge of carrying a concealed weapon. During this video Martinez states "...I knew it was Detective Kenneth Mead who spearheaded this whole sting". "Then, I went to court and found out that Michael Dickerson (DDA Michael Dickerson) who also went after a couple other activists here in Las Vegas as well, he was handling the case. He handled the case I knew was controlled by Detective Kenneth Mead." Martinez goes on to explain again how Detective Mead was controlling the investigation even though he was not involved in the case.

On a video posted to his YouTube account on 3/11/2019 (<https://www.youtube.com/watch?v=bkEzC5HR-9U>), Martinez appears to have been arrested by the LVMPD outside the Lloyd D. George Federal Courthouse. In the narrative,

Martinez states the following in part; "On February 9, 2017 I was arrested in front of the
 CERTIFIED COPY

ELECTRONIC SEAL (NPS 119963) Federal Courthouse) to attend the Bundy Ranch Trial to support the defendants. I was
 denied entry and requested information regarding the policy and the names of the
 Marshals and Federal Police who were enforcing this policy."

"Later I was taken around the corner and eventually to a police substation at the request
 of a Las Vegas Metropolitan Police Officer, Detective Kenneth Mead with the Anti Terrorist
 Task Force. He questioned me and seized my common law ID which he turned over to the
 FBI. I was eventually found guilty of obstruction in City Court. It was a bench trial, a judge
 decided. I appealed it and my appeal was denied."

"Ever since I met Kenneth Mead activism has gotten a little harder. He has followed
 me, and even showed up to my other court hearings, that he had nothing to do with, in an
 attempt to sabotage my case by presenting Facebook posts to the judge and prosecutor.
 He was successful in one case because the judge threw me in jail over my posts. I wasn't
 charged with a crime but my bail was revoked and I was remanded back into custody over
 an "anti-cop" meme."

Martinez is friends with many other "Auditors" from around the country. One of these
 individuals is known as "James Freeman" who utilizes a YouTube Chanel under the same
 name. On 03/05/2019, Freeman posted a video entitled "KENNETH MEAD - ANTI

ELECTRONIC SEAL/NRS 1.190(8) (https://www.youtube.com/watch?v=vWDdSQLxUD0). During this video Freeman discusses Martinez's court case regarding his carrying a concealed weapon (CCW) charge. Freeman goes on to identify Detective Mead as the individual who presented evidence against Martinez in court. Freeman identifies Det. Mead as a detective who specializes in counter-terrorism investigations for the LVMPD. During the video Freeman looks up and divulges Det. Mead's yearly salary, and then attempts to draw comparisons between international terrorism investigations and the Martinez CCW trial based solely on the supposed involvement of Det. Mead. During the video Freeman further states that Det. Mead "...terrorizes American citizens, he showed up to Josh's (Martinez) court date." This video has 8942 views and is a further example of how Martinez utilizes his activism affiliations to harass Det. Mead, and that this harassment is long-standing and on-going.

An article on "The free thought project" web site (<https://thefreethoughtproject.com/innocent-father-branded-constitution/>) posted on 02/22/2020, states "Martinez believes because he is a Constitutional activist he was targeted for arrest by one certain detective he later learned was a LVMPD Anti-terrorism Division Detective/Joint Terrorist Task Force with the FBI. His name is Detective Kenneth Mead. Cliven Bundy was cleared of all wrongdoing but Martinez wasn't so lucky." "Martinez believes Mead likes to lump all people who make waves as constitutionalists and brand them as troublemakers. That's what he says Mead did to him. Although Martinez cannot

turner states: “On my sentencing on Feb. 26, I saw detective Mead with a Manila folder in his hand. This guy isn’t supposed to be here. He wasn’t the arresting officer and he wasn’t on the case. My defense attorney came back to me and told me ‘Dude he’s got all these Facebook posts!’”

“Detective Kenneth Mead gave them to the prosecutor. The prosecutor gave them to the judge. And the judge just loses it and tells me I belong in prison. He gave us an option to either withdraw my plea or take it to trial.” The article ends with the statement “He told us he believes his civil rights have been violated but says no civil rights attorney in Clark County will touch his case because they’re afraid of LVMPD. He is currently looking for an outside attorney to take his case in a lawsuit against Det. Mead, and the LVMPD.”

A review of the Joshua Martinez Facebook page (<https://www.facebook.com/profile.php?id=100055990480014>) showed numerous postings of his “1st amendment auditing” videos on YouTube as well as illustrating a disturbing pattern of violent anti-government and anti-law enforcement rhetoric. Below listed is examples of his violent anti-government postings.

On 01/07/2021, Martinez posted a picture of two armed militia groups with the caption “Just imagine if these two groups United. We could really make a change. What a shame

On 01/06/2021 Martinez posted a picture of human skulls underneath the words “Make politicians hang again!”

On 12/28/2020 Martinez posted a picture of a cat who appears to be smiling with the caption "Me when the politician hanging from the overpass does that gurgle, swing kicky thing I like."

On 12/08/2020 Martinez posted a screen shot of two purported fake Facebook profiles who attempted to send him a friend request. Martinez captions these photos with "Nice try, Detective Kenneth Mead".

In a previously captured post with an unknown date posted during his CCW trial, Martinez posts a link to a YouTube video regarding convicted felon Bryce Cuellar with the caption "This is Bryce Cuellar AKA Fisherofmen. He is in prison for ranting on his YouTube channel about government corruption. He was targeted by LVPD Detective Kenneth Mead and Deputy District Attorney Michael Dickerson, the same two tyrants who are currently targeting me. Detective Mead took Bryce's words out of context and blew his statement way out of proportion just to increase the odds for a conviction. They manipulated the fact to put an innocent man behind bars! that he is trying to get into contact with a detective who has possession of his personal

property. When asked by the dispatcher which detective Martinez is trying to contact,

Martinez states that he is trying to contact Detective Kenneth Mead who works in the

LVMPD Fusion Center. Martinez then tells the dispatcher that if he contacts Detective

Mead right now, that Det. Mead will probably call Martinez immediately, as they have been

in contact in the past. Martinez then states that he will hang up and wait to be called back.

LVMPD dispatch then calls Detective Mead and advises him of the phone call by Joshua

Martinez. Det. Mead advises the dispatcher that Martinez has previously made threats

against his person, and asks that the recorded conversation be flagged to be retained, as

well as sent to his immediate supervisor, your declarant, Sergeant A. Packe P#7417. Det.

Mead then states that he will be advising his supervisory chain regarding this phone call.

Det. Mead then immediately contacted your declarant regarding this phone call from

Joshua Martinez.

statements regarding Det. Ken Mead and DDA Michael Dickerson on his personal

Facebook page, your declarant did an open source search of the Facebook page

belonging to Joshua Martinez

in a court setting, which appears to have been copied from what is believed to be a news article in the Las Vegas Review Journal newspaper. It should be noted that "Molon Labe" is a classical Greek phrase meaning "come and take it (them)", attributed to King Leonidas of Sparta as a defiant response to the demand that his soldiers lay down their weapons. Gun-rights advocates have adopted the phrase as a challenge to perceived attempts by the government to confiscate firearms. Based on your affiant's training and experience in domestic extremists investigations, your affiant believes it is reasonable to believe that the use of this sort of language would be construed as a challenge from Martinez to Det. Mead, in order to force a confrontation wherein Det. Mead (or other officers) attempt to seize Martinez's weapons.

On 02/17/2021, approximately 3 hours later (exact time unknown due to the nature of Facebook time stamps on posted items), Martinez posts a link on his Facebook account to an article from the Free Thought Project (referenced earlier in the affidavit). The comment above the article states "My kids are still hurting over this. Thanks to Police the Police and Free Thought Project for sharing my story. Love you all. It should be reiterated that this article features an interview with Martinez during which he essentially blames Det. Mead for targeting him for arrest and his subsequent time spent in custody because he is a Constitutional activist.

Your declarant conducted an interview with DDA Michael Dickerson on 02/18/2021.

DDA Dickerson stated the following; on 02/17/2021 has was made aware of the Facebook post made by Joshua Martinez, in which Martinez states "This is Michael Dickerson. He is Detective Kenneth Meads Bitch. Dickerson, I hope YOU and Mead die a slow and painful death. I hope your family witness it. Mead, I have a message for you= Molon Labe". DDA Dickerson stated that this posts, as well as the previously mentioned posts regarding Det. Mead's death, placed him in fear for his life as well as the lives and safety of his family members and Det. Mead. DDA Dickerson states that he immediately took steps to secure his person and his home and is continuing to take steps to protect his family from harm. As of the writing of this affidavit DDA Dickerson is in the process of applying for a Temporary Protective order against Joshua Martinez (DOB 04/27/1988).

DDA Dickerson further related that he came to know Joshua Martinez while prosecuting him for a CCW charge in 2017. DDA Dickerson stated that during the time he was prosecuting Martinez, he became familiar with his violent past (referring to his previous criminal arrests detailed earlier in this affidavit), as well as his social media presence. While prosecuting the Martinez CCW case (Clark County District Court case C-17-32661-1), DDA Dickerson presented the court with numerous threatening Facebook posts Martinez had made glorifying the killing of police officers. DDA Dickerson stated that since the 2017 prosecution, he has observed numerous social media posts by Martinez wherein

Martinez expresses his grievance against DDA Dickerson. DDA Dickerson stated that due to his successful prosecution of Martinez, Martinez was convicted of a felony offense and has since become a prohibited person with regards to the right to possess a firearm. DDA Dickerson further related that the previously referenced "Molon Labe" comment leads him to believe that Martinez is in the possession of a firearm, which causes him fear for his, and his family's safety.

On 02/18/2021, your declarant also conducted an interview with LVMPD Detective Kenneth Mead. Det. Mead stated that he was involved in a February 2017 interaction with Joshua Martinez at the Lloyd D George federal courthouse for offenses committed on the property. During this interaction, Det. Mead conducted an interview with Martinez and then released him to LVMPD patrol officers. Det. Mead also stated that he attended the sentencing hearing for Martinez and presented to the prosecuting DA, Deputy DA Michael Dickerson, social media posts that Martinez had made since his June 2017 arrest until sentencing. The posts, which were presented in the sentencing hearing and before Judge Douglas Smith, included several memes and posts on the Facebook page of Martinez, of a police funeral and implying cops should die, advocating force and violence towards law enforcement, and further YouTube video advocating violence against law enforcement and government officials. During open court on 02/27/2019, Martinez was questioned about the posts and readily admitted to the court that he felt people could shoot and kill law enforcement based on unlawful police action. Martinez agreed, to Judge

Det. Mead further stated that Since 2017, Martinez has engaged in a course of conduct which would make a reasonable person feel harassed based on his repeated and continual online posting regarding Det. Mead and his position with the Las Vegas Metropolitan Police Department. The online activity and social media posting activity and rhetoric have been escalating for the past several months. Det. Mead stated he is aware that on January 6, 2021, on the same day as the Capitol insurrection which occurred in Washington DC, Martinez posted a threat against Det. Kenneth Mead on his open-source Facebook page and this threat states "this is detective Kenneth Mead with the Metropolitan Police Department. He is an enemy of the constitution and has tried to make my life a living hell but has failed. To any activist here in Las Vegas please keep an eye out for him. I also have his resume just in case you want more Intel on him. Contact me for more information." Martinez further posted a picture of Det. Mead to the Internet which was taken during a training conference Det. Mead was giving on sovereign citizen extremism. Det. Mead stated that Martinez regularly posts on Martinez's Facebook and YouTube accounts photos of Det. Mead, videos, and content describing him as unconstitutional and encouraging people to contact Martinez so he can disseminate Det. Mead's personal information.

Det. Mead stated he has been subject to unwarranted online harassment and threats

to his person and family by Martinez. This has escalated in Martinez attempting to reach out directly to Det. Mead via his employer. Martinez has engaged in slanderous speech, posting to his numerous social media followers Det. Mead's name, photograph, and the fact that he is unconstitutional, thereby defaming his character and his reputation in law enforcement. Det. Mead states that all of the allegations by Martinez are without merit. Det. Mead states that he does fear for his safety and has taken additional safety precautions at his residence, with his family, with his employer, and with his neighbors because of the harassment/threats by Martinez. As of the writing of this affidavit Det. Mead is in the process of applying for a Temporary Protective Order against Joshua Martinez (DOB 04/27/1988)

During your declarant's interview with Det. Mead reference the continual instances of harassment by Martinez, Det. Mead stated that he has had no contact with Martinez since his trial for carrying a concealed weapon ended in 2019, nor has he conducted any further investigations into Martinez.

Your declarant noted that as of 02/18/2021, Joshua Martinez has 784 friends on his Facebook account (<https://www.facebook.com/profile.php?id=100055990480014>), and is followed by an additional 91 individuals. Many of these individuals harbor known anti-government/anti-law enforcement sentiments and have participated in armed resistance against government authorities. Many others are "1st Amendment auditors" who routinely

target law enforcement and government personnel and facilities for harassment. Based on this information, it appears clear that Martinez has the appropriate "target audience" on Facebook with which to continue his targeted harassment of Det. Mead by passing "intel" regarding him to like-minded individuals.

Based on the information provided in the social media postings from Joshua Martinez on his Facebook account and other forms of electronic communications to include YouTube, Instagram, and other websites, it appears clear that Joshua Martinez was attempting to use his electronic influence to intimidate Det. Mead during his CCW prosecution, in order to discourage his further participation. Further, your declarant believes that Martinez's continued electronic harassment of Det. Mead is clearly intended to discourage Det. Mead from conducting any further investigations into Martinez's continual anti-government/anti-law enforcement activities which includes conspiring with other like-minded individuals to continue with the targeted harassment. As well, your declarant believes that it is clear that Martinez has continued a prolonged course of action targeting Det. Mead and DDA Dickerson which would, without lawful authority, willfully or maliciously engage in a course of conduct directed towards the victims that would cause a reasonable person under similar circumstances to feel terrorized, frightened, intimidated, harassed or fearful for their immediate safety or the immediate safety of a family or household member, through the use of the internet. Furthermore, Martinez's statements have been construed as threats towards DDA Dickerson and Det. Mead and has, by words

of conduct, placed DDA Dickerson and Det. Mead in reasonable fear that the threat will be carried out.

Due to the fact prohibited persons cannot legally purchase or sell firearms, firearms such as the above listed sought after items become extremely valuable possessions to prohibited persons. Prohibited persons tend to keep these coveted firearms for long periods of time. Prohibited persons also tend to collect accessories for the firearms. Items such as holsters, cleaning kits, extra magazines, ammunition, and firearm parts are often found in the prohibited person's residence or vehicle.

Joshua Martinez is a convicted felon with a registered address of [REDACTED] Las Vegas, Nevada. The residence located at [REDACTED] is owned by Felix Martinez, the father of Joshua Martinez. Martinez has posted numerous videos and pictures on his Facebook account which purport to be from within the curtilage of the [REDACTED] residence. Based on this information, investigators believe that Martinez primarily resides at this location.

Felix Martinez is also the owner of an unimproved lot located at [REDACTED], [REDACTED], [REDACTED] a [REDACTED]. Detectives have physically observed Joshua Martinez to be located at this property on numerous occasions, to include as recently as 02/15/2021. Detectives have also seen several Facebook postings by Joshua Martinez, in which he

states that he utilizes the property located in Moapa. Investigators have witnessed Joshua

Martinez enter the Salmon colored, partially destroyed building, the grey construction

trailer, and the green and white tent camper located on this property.

Based on the preceding probable cause, on 02/18/2021 your affiant submitted a Declaration of Warrant/ Summons for the issuance of an arrest warrant for Joshua Martinez (DOB [REDACTED]). On 02/18/2021 a warrant for arrest was approved by the Clark County District Court for the criminal charges of Aggravated Stalking 200.571, Stalking with use of Internet NRS 200.575 4, and Harassment NRS 200.571 1b wherein Det. Kenneth Mead is the victim, as well as committing a second criminal offense of Harassment NRS 200.571 1b, wherein DDA Michael Dickerson is the victim.

Your Affiant requests a nighttime service clause for the following reasons: the premise to be searched is in a residential neighborhood heavily populated with families to include small children. There would be less risk to execute the warrant during nighttime hours as most citizens would be indoors. Also, due to the fact that this is an active and ongoing investigation, wherein the suspect is currently not in custody. Lastly, as the suspect's family appears to at least passively support the suspect's actions, there is the realistic threat that evidence could be destroyed should the service of the warrant be delayed until

It is further requested that this Affidavit be sealed by the order of this court for the following reasons: this crime is part of an ongoing investigation which could be compromised should specific details be released. This affidavit contains names and identifiers of the victim and investigative lead information. Furthermore, as the suspect has already threatened a detective and prosecutor from a previous case, investigators do not wish to reveal any information which the suspect could use to target further victims for retaliation.
